

K-love Radio stations are a big service to my local community. The effect on my local community if K-love were removed from the air would be great. The station ministers to me daily and is a out reach to the surrounding community. The service of K-love is such an out reach to the community. If it was taken off the air due to the LPFM it would leave a huge vacuum in the air waves that now reaches people with the good news of Christ and the uplifting music to renew the sprits of those who support K-love in both mometarily and listen daily.
